

CCAI Latvia Adoption Fee Policy/Agreement for Colorado Families

CCAI is a non-profit 501c (3) charitable organization. Our focus and passion is on placing children in forever families. The purpose of this Fee Policy/Agreement is to outline all CCAI fees to adoptive families throughout the adoption process, our refund policies, and the consequences of non-payment. Your signature below signifies you understand and agree with these policies.

Please note that, in accordance with State and Federal law, as well as our own, strict ethical standards, CCAI does not accept any money or considerations to be received as payment for a child or inducement to release a child. Adoptive families are paying CCAI and other adoption service providers for services; families are not “paying for children.” Additionally, no part of your CCAI fees will be used to fund programs or services that do not pertain to your adoption.

1. CCAI Program Fees

Because families will receive CCAI services over a period of many months during the adoption process, CCAI divides its program fees into two payments - collecting fees only when the family is ready to receive services at each phase.

Payment	What Services the Fee Covers	Due
First Program Fee of \$6,300	Adoption Orientation, Adoption Assessment/Home Study, Background Check, USCIS (I-800A) Filing, Dossier Assistance/Review, Domestic Communication, Latvia & Hague-Required Adoption & Parent Training (40 hours), Child-Specific Training Consultation, Accrediting Entity Monitoring & Oversight Coordination, and Administration	After application approval
Second Program Fee of \$5,900	Child Match Preparation, Latvia Adoption Trip Planning, International Communication, USCIS Monitoring, 2 years Post Placement and Post Adoption Report Service/Submission, Post Placement Post Adoption Support & Consultation, Accrediting Entity Monitoring & Oversight Coordination, and Administration	Due with submission of dossier
Refundable Post Adoption Court Validation Deposit of \$200	To be refunded to the Adoptive Family when all post adoption court validation requirements are satisfactorily completed.	At referral acceptance

2. Payments, File Closure, Refunds, Reductions, or Changes

- All fees must be paid in full when they are due.
- Adoptive families are entitled to request for their adoption file to be closed at any time during the adoption process by submitting a written request, signed by both parents.
- Refund Policy and Schedule:
 - CCAI First Program Fee: 50% refundable within 30 calendar days, 30% refundable within 60 calendar days, and 0% refundable after 60 calendar days of receipt of full payment.
 - CCAI Second Program Fee: 50% refundable within 30 calendar days, 30% refundable within 60 calendar days, and 0% refundable after 60 calendar days of receipt of full payment.
 - Requests for a refund must be made in writing or via email and are dated as of acknowledged receipt by a CCAI representative. You may request that all or part of your refund be donated to the Children’s Charity Fund. A tax exempt letter will be provided. 90 days following closure of your file, all unclaimed refunds will be transferred to the Children’s Charity Fund and a tax exempt letter will be provided.
- The amount of your CCAI program fees will not change throughout your adoption. However, if during the adoption process you require a home study addendum, update or other home study services, move to a different state or country, amended Fee and Service agreements may be required, possibly including additional service fees and/or deposits. Should additional adoptive or post adoptive services be required by the Ministry of Welfare, additional fees

and or deposit may be required. CCAI is not responsible for other non-CCAI service related adoption fees/costs that may change/fluctuate while the adoptive family is in process.

- CCAI is not responsible for adoption related fees and costs paid to other governmental and/or private agencies, such as IAAME (Intercountry Adoption Accreditation and Maintenance Entity), USCIS (US Citizenship and Immigration Services), Ministry of Welfare, US and Latvia Consulates, State Department, travel agencies, etc.

3. Consequences of Non-Payment

After notices at 30 and 60 days, if payment of the first fee is not received within 90 days of application approval, and no other written payment arrangements are accepted by CCAI, CCAI will close the adoptive family's file. Adoptive families should inform CCAI if they may not be able to make timely payments, as an alternative payment plan may be possible due to unforeseen circumstances not existing at the time of the application approval.

CCAI Latvia Service Agreement

For Families in Colorado

This CCAI Service Agreement effective as of the date last signed (“Effective Date”) is entered into between CCAI and _____ and _____, a married couple [or a single woman], (hereafter collectively [individually] referred to as the “Adoptive Family” or “We” “you” “your” “our” “us” and, sometimes individually as “I” “my”) (the “Service Agreement”) for the purpose of ensuring mutual understanding between CCAI (the “Primary Provider”) and the Adoptive Family.

Background

The **Hague Convention** on the Protection of Children and Co-operation in Respect of Inter-Country Adoption (known as the “**Hague Convention**”), an international agreement to establish safeguards to ensure that inter-country adoptions take place in the best interests of the child, identifies **six adoption services**. As defined by the Hague Convention, CCAI will act as your Primary Provider, ensuring that these six adoption services are provided by the multiple entities (each a “Provider”) involved in your adoption process as outlined in the following Service Plan:

	Adoption Service	Provider
1	Identifying a child for adoption and arranging an adoption.	Identifying a child for adoption: The Ministry of Welfare (“Ministry”), Latvia’s Central Authority, Local Children Orphans Court
		Arranging an adoption: The Ministry of Welfare (“Ministry”), Latvia’s Central Authority, Regional & Local Children Orphans Court, Foreign Supervised Provider and CCAI Employees
2	Securing the necessary consent to termination of parental rights and to adoption.	Local and Regional Orphans Courts
3	Performing a background study on a child or a home study on prospective adoptive parent(s), and reporting on such a study.	Background study on a child: Local Orphans Court to the Ministry
		Home study on prospective adoptive parent(s): CCAI social service employee or contract worker (an “exempted provider” under Hague)
4	Making non-judicial determinations of the best interests of a child and the appropriateness of an adoptive placement for the child.	Regional Orphans Court, Local Orphans Court, the Ministry of Welfare, CCAI US Employees
5	Monitoring a case after a child has been placed with prospective adoptive parents until final adoption.	Local and Regional Orphans Courts, CCAI Child Placement Supervisor
6	When necessary because of a disruption before final adoption, assuming custody of a child and providing or facilitating the provision of childcare or any other social service pending an alternative placement.	Not applicable; the Local Orphans Court maintains the child’s legal custody until the finalization of the adoption

Agreement

4. Additional Adoptive Family Acknowledgements and Hold Harmless Statements:

- A. I/We, the Adoptive Family, have selected CCAI as our intercountry adoption agency and understand that the goal of our relationship is to have a legally adoptable Latvian child/ren placed with our family. We understand that there are certain risks involved in international adoption and such a placement is not guaranteed. While CCAI will provide us with all information about the prospective adoptive child made available by the Ministry of Welfare and assist us with the entire adoption process, some unpredictable problems and/or events which are beyond CCAI's control may nevertheless occur. These unpredictable problems and/or events include but are not limited to: sudden changes in the adoption requirements or policies promulgated by the Latvian or U.S. governments and changes in international relations between Latvia and the U.S. I/We acknowledge that ultimate success or failure of the adoption process may depend on factors beyond the control of CCAI and/or the Adoptive Family, and any failure of the adoption process is not necessarily caused by fault or breach of CCAI or the Adoptive Family.

Adoptive Family Initials _____

- B. In addition, a child may be placed with us with physical, mental, behavioral, social and/or emotional problems, minor or major, and/or a history of trauma, physical, emotional and/or sexual or abuse, that have remained partially or totally

undiagnosed/undisclosed and which were unknown to CCAI. I/We agree to hold harmless and release CCAI from all liability relating to the accuracy or completeness of our child's adoption file. I/We acknowledge that CCAI is not and cannot be responsible for such conditions or problems. I/We further acknowledge that CCAI's inability to provide all child information which may eventually be obtained by the Adoptive Family does not indicate any fault or negligence on the part of CCAI. I/We release CCAI and hold CCAI harmless from any and all responsibility or liability for any type of injury, harm, damage, or loss in any way relating to or arising out of the physical, psychological, or emotional condition, or medical, psychological, historical, or other records, data, or information of any child assigned to, placed with, or adopted by me/us, regardless of when such injury, harm, damage, or loss is known or discovered..

Adoptive Family Initials _____

C. I/We understand that CCAI's listing of any particular cooperating agency or vendor does not constitute an endorsement by CCAI of that agency or any warranty by CCAI of such agency's services. I/We further understand other governmental and/or private agencies' service quality & refund policy is out of CCAI control, and we will not hold CCAI accountable should we have any complaint against those agencies. Those agencies include, but are not limited to, IAAME, USCIS, our home study agency, Ministry of Welfare, Secretary of State, State Departments, Latvian & American Consulates/Embassies, hospitals, doctors, travel agencies, and local Latvia authorities, etc. I/We further understand that the fees charged by such entities are out of CCAI control, and we will not hold CCAI liable for such cost or refund.

Adoptive Family Initials _____

D. I/We understand that CCAI will transmit to us the entire medical and background information received from the Ministry of Welfare at such time a potential child referral becomes available (including photos, medical records, and videos, if any). CCAI staff are not medical professionals and do not assess or evaluate children's adoption files, thus it is our responsibility as the Adoptive Family to seek out medical consultation to the extent we believe necessary in the process of deciding to adopt a particular child. Any costs associated with an independent medical consultation service are our voluntary investment in the adoption process. We further understand that CCAI cannot guarantee or verify and makes no warranty or representation, express or implied the accuracy and completeness of the information contained in a child's adoption file, as this information is compiled and provided by the Ministry and the child's Orphans Court legally placing the child for adoption. Translation of foreign-language documents may be inaccurate. I/We acknowledge that it is possible that the orphanage may not be aware of medical, developmental, or behavioral issues of a child; may overlook or fail to note signs or symptoms or to provide a child's relevant history; may unknowingly or carelessly provide erroneous information; may not be able to provide information or observations about medical, developmental, or behavioral issues that become apparent only after the child's placement with the Adoptive Family; and/or may not be aware of aspects of a child's history that have not been disclosed prior to placement (and may be disclosed by the child only after placement). CCAI has no authority or permission to conduct direct or indirect independent orphanage investigation or information verification. I/We acknowledge that the only party with which CCAI may communicate in terms of a child's medical/social information, care, and/or history of abuse, when suspected, is the Ministry of Welfare, the Latvia Central Authority.

Adoptive Family Initials _____

E. I/We, the Adoptive Family, have read the "Basic Steps and Timeline" document which was sent to us with the Information Packet. We understand that the estimated timelines are not guaranteed and are subject to change during our adoption process depending on factors such as the speed of dossier preparation, how quickly the USCIS processes our application, the current child match, political and international events, and other unforeseen circumstances. I/We acknowledge that I am/we are solely responsible for keeping track of expiration dates and for ensuring that USCIS approval and other required documents are current. I /We further understand that the timeframe in which we may receive a child referral is not guaranteed and is directly affected by the availability of children in correlation to our openness to age, gender and medical condition(s).

Adoptive Family Initials _____

F. I/We understand the information provided on the family login portion of the CCAI website and the copyrighted Dossier Guide is intended for the sole use of our CCAI adoption. I/We agree not to transmit this information to any other individuals and/or agencies.

Adoptive Family Initials _____

G. I/We understand that CCAI reserves the right and we therefore grant CCAI perpetual permission to communicate with our social worker and at any point in our adoption process, including the Care and Supervision period and post adoption period. Should the social worker, or CCAI determine that psychological evaluation of the adoptive parent(s), an updated assessment of our family's suitability and preparation to adopt a child, and/or additional counseling for the adoptive parent(s), is necessary, or in CCAI's sole discretion should a notable change in our home, behavioral, financial or employment conditions occur at any time in the adoption process or circumstances otherwise warrant the same, we agree to undergo such evaluation, update, or counseling at our own expense, within 30 days of notification of such a request. Should we fail to facilitate CCAI's receipt of the requested information and/or an unfavorable report is determined, I/we understand that CCAI will close our adoption file.

Adoptive Family Initials _____

H. I/We understand that, upon its completion, I/we have the opportunity to read and review our home study, excluding the confidential reference section, at the CCAI office.

Adoptive Family Initials _____

I. I/We acknowledge that CCAI reserves the right to revoke or modify any home study approval or consent if, any time prior to adoption finalization, CCAI receives or obtains information that leads it to believe that a child's placement with the Adoptive Family would not be in the child's best interests.

Adoptive Family Initials _____

J. If the Adoptive Family is a married couple, by signing this Service Agreement each spouse authorizes CCAI to disclose to and discuss with the other spouse any confidential information CCAI may learn or obtain concerning either spouse. Each spouse hereby releases CCAI from all legal responsibility or liability that may arise from the release of information authorized herein. Each spouse acknowledges that the information to be released may include confidential information which could not be released without this specific consent, including information that is specific to adoption counseling, family planning, marital history, criminal history, child abuse, employment, drug, alcohol or psychiatric treatment, and/or HIV testing and diagnosis.

Adoptive Family Initials _____

K. I/We acknowledge that CCAI cannot guarantee that I/we will be accepted or qualify as adoptive parent(s) in Latvia. CCAI shall not be liable if, for any reason other than intentional or reckless conduct by CCAI, I/we fail to be accepted or qualify as adoptive parent(s). Furthermore, should at any point in our adoption process we cease to qualify for Latvian adoption according to Latvian Adoption Law, current Latvia government policies and practices, and/or US immigration laws, as may be amended from time to time, and even subsequent to our initial application, we understand that the Latvian government may return our dossier and CCAI may close our adoption file.

Adoptive Family Initials _____

L. I/We acknowledge that under the Hague Convention, an adoption in Latvia is considered final after the Regional Court hearing. From such time our child will be afforded the same rights as if he/she had been born to us. We further understand that should our child require any services following adoption finalization, including but not limited

to medical treatment/testing, psychological and/or psychiatric services/counseling/therapy, private education/academic support, etc., the procurement and cost of such services is our family's sole responsibility.
