

# Explanation of CCAI Ukraine Adoption Program Fees

## APPLICATION FEE

### **Application Review & Assessment**

The well-being of adoptive children is CCAI's ultimate concern and main focus; their needs dictate which applicant(s) we can assist. By reviewing the completed "Application for Adoption," CCAI will determine if families meet the qualifications set by the US, Ukraine, and this agency as stated on the Qualifications page in this packet. Your application fee covers: 1) printing, sending, and receiving the application packet; and 2) staff time spent assessing the application and contacting applicants and their references, etc.

## FIRST PROGRAM FEE

### **Adoption Orientation & Consultation**

Upon receipt of your signed Service Agreement, Fee Policy/Agreement, and First Program Fee, an orientation packet will be made available to you and the CCAI's Ukraine Adoption Dossier Guide. Your social worker will also be provided with a "Home Study Packet," outlining the Ukraine and USCIS requirements for your home study. A part of your First Program Fee covers the cost of: 1) preparing materials and packets; and 2) staff time spent conducting orientation and training through packets and consultations.

### **Home Study Agency Coordination & Supervision**

Since CCAI is not licensed in your state, we rely on the home study agency you selected to produce your home study report which must meet all the requirements of the Ukrainian government, US federal and state governments. A part of your First Program Fee covers the cost of our training, coordination with and supervision of your home study agency and social worker to ensure your home study process meets immigration & country standards.

### **Home Study Consultation, Review & Clinical Support**

No adoption can occur through CCAI without an approved home study/adoption assessment by a licensed, non-profit, accredited home study agency in your state. A part of your First Program Fee covers: 1) CCAI's regular and professional communication/consultation with your social worker/Home Study agency; 2) and review of the home study/adoption assessment drafts before finalization to ensure it meets USCIS and Ukraine requirements.

### **UAA Adoption & Parent Training**

As required by the Universal Accreditation Act of 2012 and Hague, each prospective adoptive parent must complete 10 hours of parent training on the adoption process and issues unique to international adoption before completing your homestudy. In addition, CCAI requires an additional 12 hours of live face to face training via Zoom before your adoption is completed. A part of your First Program Fee covers staff time spent: 1) producing and providing the online training material; 2) wages paid to guest speakers and training experts, and 3) tracking training and issuing a certificate of completion.

### **Dossier Assistance/Review**

The Ukrainian Adoption Authority, The National Social Service of Ukraine (NATSOCSERV) approves and matches a child to you based upon your qualifications as presented in your adoption dossier. Therefore, a complete and high-quality dossier is extremely important. A part of your Program Fee covers: 1) CCAI staff time organizing and providing Dossier Orientation; 2) assisting you throughout the dossier compilation process; and 3) reviewing the completed dossier for quality control.

### **Domestic Communication**

The process of providing international adoption services requires constant communication between CCAI and the adoptive family, relevant US governmental agencies, your social worker performing the home study, and the Ukraine Embassy and consulates. This is done through phone, internet, newsletters, and regular and express mail. A part of your First Program Fee covers the cost of providing these vital services.

## **Accrediting Entity Monitoring & Oversight Coordination**

All agencies and individuals serving families to adopt internationally must be accredited according to the regulations and standards set forth by the Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption. The US Accrediting Entity and the US Department of State require a substantial amount of communication and data reporting as part of their monitoring and oversight requirements. A part of your First and Second Program Fee covers CCAI staff time spent: 1) Communicating and coordinating with the Accrediting Entity as required under the Hague Convention; and 2) Compiling and reporting required data and information to the Accrediting Entity.

## **Administration**

As a non-profit charitable 501(c)(3) agency, we are permitted to spend up to 25% of our program fees on administrative needs. However, we are able to keep our administrative costs at less than 20% of our overall agency expenses. A part of your Program Fee partially covers necessary administrative expenses such as office building expenses, office equipment and insurance, bank fees, office supplies, printing materials, public relations, accounting, IT, office management, maintaining and managing adoption files, and routine operational activities.
