Dear Prospective Adoptive Family,

We are delighted you are interested in adopting a child through CCAI!

As a part of the approval process in the state of Florida, you will need to have five reference forms submitted directly to the agency from your references. References can be obtained from friends and family, anyone who is able to identify your suitability for parenting an adopted child. Additionally, references must follow the following guidelines:

- If you have school aged children in the home, one reference should be from a teacher.
- If you have an adult child now living on their own, one reference should be from him/her.
- No more than two references should be from a family member.
- Couples count as one reference.

Please request that your references carefully fill out the Confidential Reference Questionnaire, answering all questions fully. Please also remind them that the signature and date are crucial items. Original references must be submitted and can be mailed to:

CCAI 2014 Edgewater Drive #166 Orlando, FL 32804

Each Confidential Reference Questionnaire has a cover letter for you to insert the name(s) of the reference. On the form itself, please insert the reference name in the first section, and your name(s) in the second section.

In addition to the reference forms, we will need an Affidavit of Good Moral Character for each adult in the home, including the applicant(s). We will also need an additional Affidavit of Good Moral Character Addendum for each adult in the home, including the applicant(s).

We will be able to complete your application review once we have received your notarized Affidavit(s) of Good Moral Character, notarized Affidavit(s) of Good Moral Character Addendum(s), the completed application, the application fee, and all five required references.

Please contact us with any questions or concerns. We can be reached at (813) 949-5559, or ccaifl@ccaifamily.org. We look forward to assisting you with your "journey of a lifetime"!

Sincerely,

Your CCAI-Florida Staff
