

# CCAI Belize Adoption Fee Policy/Agreement

CCAI is a non-profit 501c (3) charitable organization. Our focus and our passion is on placing children in loving forever families. The purpose of this Fee Policy/Agreement is to outline all CCAI fees to adoptive families throughout the adoption process, our refund policies, and the consequences of non-payment. Your signature below signifies you understand and agree with these policies.

Please note that, in accordance with State and Federal law, as well as our own, strict ethical standards, CCAI does not accept any money or considerations to be received as payment for a child or inducement to release a child. Adoptive families are paying CCAI and other adoption service providers for services; families are not “paying for children.” Additionally, no part of CCAI program fees will be used to fund programs or services that do not pertain to your adoption.

## 1. CCAI Program Fees

Because families will receive CCAI services over a period of many months during the adoption process, CCAI divides its program fees into two payments - collecting fees only when the family is ready to receive services at each phase.

Payment	What Services the Fee Covers	Due
First Program Fee \$4,350	Adoption Orientation & Consultation, Home Study Agency Coordination & Supervision, Home Study Consultation & Review & Clinical Support, Dossier Assistance/Review, USCIS Filing, Domestic Communication, State- & Hague-Required Adoption and Parent Training, Child-Specific Training Consultation & Clinical Support, Accrediting Entity Monitoring & Oversight Coordination, Administration	After application approval
Second Program Fee \$2,950	Child Match Preparation & Coordination, Belize Adoption Travel Training, USCIS & Article 5 Hague Processing, International Communication, Accrediting Entity Monitoring & Oversight Coordination, Administration	At dossier submission
Third Program Fee \$2,300	Post Placement Report Submission, Post Placement Support & Consultation, Post Adoption Support & Consultation, Administration	Prior to submission of the I-800 to USCIS
Refundable Post Placement Deposit of \$1,000	Refunded when all post placement requirements are satisfactorily completed and CCAI receives all adoption finalization documentation, including a copy of child's Certificate of Citizenship	Prior to submission of the I-800 to USCIS

## 2. Payments, File Closure, Refunds, Reductions, or Changes

- A. All fees must be paid in full when they are due.
- B. Adoptive families are entitled to request for their adoption file to be closed at any time during the adoption process by submitting a written request, signed by both parents.
- C. Refund Policy and Schedule:  
 CCAI Program Fee: 50% refundable within 30 calendar days, 30% refundable within 60 calendar days, and 0% refundable after 60 calendar days of receipt of full payment.  
 \* You may request that all or part of your refund be donated to the Children's Charity Fund. A tax exempt letter will be provided.  
 \*\* 90 days following closure of your file, all unclaimed refunds will be transferred to the Children's Charity Fund and a tax exempt letter will be provided.
- D. The amount of your CCAI program fees will not change throughout your adoption. However, if during the adoption process you move to a different state or country, amended Fee and Service agreements may be required, possibly including additional service fees and/or deposits. Should additional adoptive, post placement, or post adoptive services be required, additional fees and or deposit may be required. CCAI is not responsible for other non-CCAI service-related adoption

fees/costs that may change/fluctuate while the adoptive family is in process.

- E. CCAI is not responsible for adoption related fees and costs paid to other governmental and/or private agencies, such as IAAME, USCIS, Belizean Department of Human Services or other authorities, Belizean orphanage, US Consulates, State Department, travel agencies, etc.

### 3. Consequences of Non-Payment

After notices at 30 and 60 days, if payment of the first fee is not received within 90 days of application approval, and no other written payment arrangements have been made; CCAI will close the adoptive family's file. Adoptive families should inform CCAI if they may not be able to make timely payments, as an alternative payment plan may be possible.

# CCAI Belize Service Agreement

This CCAI Service Agreement effective as of the date last signed (“Effective Date”) is entered into between CCAI and \_\_\_\_\_ and \_\_\_\_\_, a married couple [or a single woman], (hereafter collectively [individually] referred to as the “Adoptive Family” or “We” “you” “your” “our” “us” and, sometimes individually as “I” “my”) (the “Service Agreement”) for the purpose of ensuring mutual understanding between CCAI (the “Primary Provider”) and the Adoptive Family.

## Background

The **Hague Convention** on the Protection of Children and Co-operation in Respect of Inter-Country Adoption (known as the “**Hague Convention**”), an international agreement to establish safeguards to ensure that inter-country adoptions take place in the best interests of the child, identifies **six adoption services**. As defined by the Hague Convention, CCAI will act as your Primary Provider, ensuring that these six adoption services are provided by the multiple entities (each a “Provider”) involved in your adoption process as outlined in the following Service Plan:

	Adoption Service	Provider	When Service is Provided
1	Identifying a child for adoption and arranging an adoption	Identifying a child for adoption: <ul style="list-style-type: none"> <li>▪ When the <b>Department of Human Services (DHS)</b>, Belize’s Central Authority, has removed a child from the birth family due to abuse/neglect/etc., a temporary court order is issued to place the child in emergency care. If reunification is not possible, <b>DHS</b> subsequently applies for and obtains legal custody over the child through the Family/Magistrate Court.</li> <li>▪ <b>DHS</b> determines the adoptability of a child based on their records of whether they have legal custody over the child.</li> <li>▪ A potential Adoptive Family may become aware of a specific child via travel to Belize, or <b>DHS</b> may propose a child referral based on the Adoptive Family’s characteristic preferences.</li> </ul>	Commences at DHS’s discretion (unrelated to the specific Adoptive Family’s adoption process timeline); may be prior to or after Adoptive Family initiates adoption

2	Securing the necessary consent to termination of parental rights and to adoption	<ul style="list-style-type: none"> <li>▪ Parental rights are terminated by any Court (<b>Family, Magistrate or High</b>) by granting the same to <b>DHS</b>, or by the written consents signed by the birth parent(s) and filed in the adoption proceedings.</li> <li>▪ <b>FSP</b> will prepare consents, while execution of consents varies by case; may be executed independently in the presence of a Commissioner of the <b>High Court</b>, or a third party (often the child’s temporary caregiver) assists in arranging the same, or if required the <b>FSP</b> may assist in attending and ensuring the execution of consent.</li> </ul>	Prior to child becoming legally available for adoption
3	Performing a background study on a child or a home study on prospective adoptive parent(s), and reporting on such a study	Background study on a child: <b>DHS</b> compiles background information for a child’s adoption file for submission to the <b>High Court of Belize</b> .	Prior to child becoming legally available for adoption
		Home study on prospective adoptive parent(s): The Adoptive Family’s chosen <b>home study agency</b> (considered an exempted provider under Hague) prepares a home study for inclusion in the dossier for DHS (_____)	Prior to dossier submission to DHS
4	Making non-judicial determinations of the best interests of a child and the appropriateness of an adoptive placement for the child	<b>CCAI</b> US employees via the home study and Child-Specific Training, with approval of <b>DHS</b> via child referral, and by review and approval of the adoption dossier for submission to the <b>High Court of Belize</b>	At such time a potential referral becomes available from DHS (variable)

5	Monitoring a case after a child has been placed with prospective adoptive parents until final adoption	<b>High Court of Belize</b> and <b>CCAI</b> Child Placement Supervisor	One year duration following provisional adoption order
6	When necessary because of a disruption before final adoption, assuming custody of a child and providing or facilitating the provision of childcare or any other social service pending an alternative placement	Not applicable; upon the <b>High Court</b> issuing the provisional adoption order, legal custody of the child is granted to the adoptive parent(s), who become responsible for the well-being of the child until alternative arrangement placement is made, should the adoption not be finalized in Belize. ### Agreement

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. **Duties of the Primary Provider:** Based on the information in the Adoptive Family's application, **CCAI** as the Primary Provider agrees to do the following for the Adoptive Family:

At such time that a prospective child referral becomes available, CCAI will transmit to the Adoptive Family all of the medical and background information available from DHS (including photos, medical records, and videos, if any); however, CCAI cannot guarantee or verify the accuracy and completeness of the information contained in a child's adoption file, as this information is compiled and provided by DHS, the provider legally placing the child for adoption.

4. In the event of potential disruption (relinquishing a child between issuance of provisional adoption order and adoption finalization), **CCAI** will:

6. Additional Adoptive Family Acknowledgements and Hold Harmless Statements:

A. I/We, the Adoptive Family, have selected CCAI as my/our intercountry adoption agency and understand that the goal of our relationship is to have a legally adoptable abandoned/orphaned Belizean child placed with my/our family. We understand that there are certain risks involved in intercountry adoption and such a placement is not guaranteed. While CCAI will attempt to provide me/us with all available information about the prospective adoptive child made available by DHS and assist me/us with the entire adoption process, some unpredictable problems and/or events which are beyond CCAI's control may nevertheless occur. These unpredictable problems and/or events include but are not limited to: sudden changes in the adoption requirements or policies promulgated by the Belizean or US governments and changes in international relations between Belize and the US. CCAI makes no warranty, either express or implied, and CCAI is not responsible for the long-term outcome of the adoption. I/We acknowledge that ultimate success or failure of the adoption process may depend on factors beyond the control of CCAI and/or the Adoptive Family, and any failure of the adoption process is not necessarily caused by fault or breach of CCAI or the Adoptive Family.

*Adoptive Family Initials* \_\_\_\_\_

B. In addition, a child may be placed with us with physical, mental, behavioral, social and/or emotional problems, minor or major, and/or a history of trauma or physical, emotional, and/or sexual abuse, that have remained partially or totally undiagnosed/undisclosed and which were unknown to CCAI. I/We acknowledge that CCAI is not and cannot be responsible for such conditions or problems. I/We further acknowledge that CCAI's inability to provide all child information which may eventually be obtained by the Adoptive Family does not indicate any fault or negligence on the part of CCAI. I/We release CCAI and hold CCAI harmless from any and all responsibility or liability for any type of injury, harm, damage, or loss in any way relating to or arising out of the physical, psychological, or emotional condition, or medical, psychological, historical, or other records, data, or information of any child assigned to, placed with, or adopted by me/us, regardless of when such injury, harm, damage, or loss is known or discovered.

*Adoptive Family Initials* \_\_\_\_\_

C. I/We understand that CCAI will transmit to me/us all of the medical and background information received from DHS at such time a potential child referral becomes available (including photos, medical records, and videos, if any). CCAI staff are not medical professionals and do not assess or evaluate children's adoption files, thus it is my/our responsibility as the Adoptive Family to seek out medical consultation to the extent I/we believe necessary in the process of deciding to adopt a particular child. Any costs associated with an independent medical consultation service are my/our voluntary investment in the adoption process. I/We further understand that CCAI cannot guarantee or verify, and makes no warranty or representation, express or implied, concerning the accuracy and completeness of the information contained in a child's adoption file, as this information is compiled and provided by DHS, the provider legally placing the child for adoption. I/We acknowledge that it is possible that DHS may not be aware of medical, developmental, or behavioral issues of a child; may overlook or fail to note signs or symptoms or to provide a child's relevant history; may unknowingly or carelessly provide erroneous information; may not be able to provide information or observations about medical, developmental, or behavioral issues that become apparent only after the child's placement with the Adoptive Family; and/or may not be aware of aspects of a child's history that have not been disclosed prior to placement (and may be disclosed by the child only after placement). I/We understand that CCAI has no authority or permission to conduct direct or indirect independent investigation or information verification. I/We acknowledge that the only parties with which CCAI may communicate in terms of a child's medical/social information, care, and/or history of abuse when suspected, is DHS, the Belizean Central Authority, and the child's third-party caregiver. I/We therefore agree to hold harmless and release CCAI from all liability relating to the accuracy or completeness of our child's adoption file.

*Adoptive Family Initials* \_\_\_\_\_

D. I/We further understand that CCAI will make good faith efforts to obtain additional and/or updated information on my/ matched child, but I/we acknowledge that such information is not guaranteed. Receipt and timeliness of additional and/or updated information is dependent on DHS and as such is beyond the control of CCAI.
