

# Bulgaria Adoption Expenses by Chronology

## For Families in Florida, Georgia, Texas & Wyoming

The total cost of your Bulgaria adoption will consist of both CCAI Service Fees and expenses outside of CCAI Service Fees. One of the many benefits of CCAI's Bulgaria adoption program is that the costs are clearly defined from the moment you begin your adoption journey. The adoption fees and costs are spread out over the course of the entire adoption process. Expenses paid to CCAI throughout the adoption (highlighted in **BOLD** below) will be about one-fourth or less of the overall adoption expenses.

Below we have listed each expense necessary to complete your adoption in two trips, to whom it is paid, and when it is due. Each expense is identified by the **Key** and detailed in "Explanation of Non-CCAI Expenses." Your estimated adoption fees/expenses are further **categorized** from **A-I** as follows:

## **Explanation of Non-CCAI Bulgaria Adoption Expenses For Families in Florida, Georgia, Texas & Wyoming**

1. The IAAME (Intercountry Adoption Accreditation and Maintenance Entity) is CCAI’s authorized accrediting entity. They charge **\$850** per approved application where CCAI agrees to serve as the primary provider. (This fee is charged on a per child basis; if a family is adopting more than one child, IAAME will collect an additional **\$850** per child at the time of referral.)
2. The USCIS (United States Citizenship and Immigration Services) charges **\$775** at the time that you file the I-800A. Each person 17 years old or older in the household must be fingerprinted. **\$85** for each person to be fingerprinted should be included in the initial USCIS check/Credit card. The USCIS approval is valid for 15 months. Please remember that Bulgaria adoption timelines are variable and are subject to change. Due to unpredictable wait times, you may need to re-file your immigration application, which includes a new I-800A form or Supplement 3, re-fingerprinting, and a home study update, along with translation/processing service fees to submit to the Ministry of Justice. The overall cost for each re-filing can be an additional \$800-\$2,500 plus 300-400 Euro\*.
3. The cost of dossier preparation varies depending on what your state charges for issuing birth and marriage certificates and for document certification. The **\$360** estimate reflects the average that families will spend compiling the adoption dossier. (Bulgaria also requires updated FBI and medical certificates prior to adoption finalization; this cost will vary.)
4. Your documents must be shipped to Bulgaria an average of two to four times during your adoption process. In order to keep CCAI service fees low, these shipping charges are paid by individual families (to DHL via CCAI) only on an as-needed basis, ranging from **\$125-\$225** on average per family.
5. Translation of your application/dossier documents into Bulgarian is the first service our In-Country team will provide for you, paid at the time of dossier submission or when matched with a Waiting Child. This translation fee ranges from **€1600 to €2000 (Euros)** or about \$1,830-\$2,290\*, plus a \$40 wire fee.
6. The remaining in-country service fee ranges from **€4100 to €6400 (Euros)** or about \$4,690-\$7,320\*, for one child, plus two wire fees of \$40 each.
  - a) For multiple placements, an additional **€1000 to €2600 (Euros)** or about \$1,140-\$2,970\*, will apply for services provided for each additional child’s adoption case.
  - b) Fees are paid in 2 payments – at referral acceptance and after adoption finalization. If adopting a waiting child, the payment schedule may differ.
