

CCAI Belize Adoption Program Fees

CCAI is proud to be a 501(c)(3) non-profit, charitable adoption agency. That means we are financially accountable to you as the American public and as an adoptive family. Disclosing all costs up front and having no hidden charges is important to us. While providing uncompromised first-class adoption service, CCAI's fees are among the lowest in the field of adoption from Belize.

Once your application is approved, you will sign a Fee Policy/Agreement (see "Sample Fee Policy Agreement") with CCAI which commits you to pay: 1) CCAI fees and 2) expenses paid to other entities necessary to complete your adoption (see "Adoption Expenses by Chronology"). **The Fee Policy/Agreement also commits CCAI to not change the amount of our agency fees throughout your adoption.**

Families make CCAI fee payments at three different times and only when they are ready to be provided with the services covered by that fee. Following is a breakdown of the services covered by each of CCAI's fees.

Explanation of CCAI Belize Adoption Program Fees

APPLICATION FEE

Application Review & Assessment

The well-being of adoptive children is CCAI's ultimate concern and main focus; their needs dictate which applicant(s) we can assist. By reviewing the completed "Application for Belize Adoption," CCAI will determine if families meet the qualifications set by the US, Belize, and this agency as stated on the Qualifications page in this packet. Your Application Fee covers: 1) sending, receiving and printing the application packet; and 2) staff time spent assessing the application and contacting applicants and their references, etc.

FIRST PROGRAM FEE

Adoption Orientation & Consultation

Upon receipt of your signed Service Agreement, Fee Policy/Agreement, First Program Fee, and Accrediting Entity (IAAME) Fee, you'll receive CCAI's copyrighted Adoption Dossier Guide. You will also be provided with a "Home Study Packet," outlining the CCCWA and USCIS requirements for your home study, to give to the local licensed, non-profit, accredited home study agency that you indicated on your application. A part of your First Program Fee covers the cost of: 1) preparing materials and packets; and 2) staff time spent conducting orientation and training through packets and consultations.

Home Study Agency Coordination & Supervision

Since CCAI is not licensed in your state, we rely on the home study agency you selected to produce your home study report which must meet all the requirements of the Belizean government, US federal and state governments and the Hague Treaty. A part of your First Program Fee covers the cost of our training, coordination with and supervision of your home study agency and social worker to ensure your home study process meets Hague Treaty standards.

Home Study Consultation & Review & Clinical Support

No adoption can occur through CCAI without an approved home study/adoption assessment by a licensed and non-profit home study agency in your state. A part of your First Program Fee covers; 1) CCAI's regular and professional communication/consultation with your social worker; 2) and review of the home study/adoption assessment drafts before finalization to ensure it meets Belize and USCIS requirements.

Dossier Assistance/Review

The Central Authority in Belize (DHS) approves you based upon your qualifications as presented in your adoption dossier. Therefore, a complete and high-quality dossier is extremely important. A part of your First Program Fee covers: 1) CCAI staff time organizing and providing Dossier Orientation; 2) assisting you throughout the dossier compilation process; and 3) reviewing the completed dossier for quality control.

USCIS Support & Monitoring

Assisting families to maintain valid USCIS approval and meet USCIS requirements at all times demands constant effort. A part of your Program Fee covers the cost of: 1) monitoring waiting

families' USCIS approval status; and 2) assisting waiting families with USCIS re-filing and/or new filing.

Domestic Communication

The process of providing international adoption services requires constant communication between CCAI and the adoptive family, relevant US governmental agencies, your social worker performing the home study and home study agency in general. This is done through phone, fax, email/intranet/internet, newsletters, and regular/standard mail. A part of your First Program Fee covers the cost of providing these vital services.

Hague-Required Adoption & Parent Training

The Intercountry Adoption Act, as well as many states, requires adoptive parents to receive training on parenting children with special needs, attachment, cross-culture, and international adoption before traveling to Belize. CCAI provides that training to adoptive families through helpful online classes. Experts, panels of adoptive parents, and/or adult adoptees conduct the classes. A part of your First Program Fee covers: 1) CCAI staff time spent preparing the required training sessions; 2) editing and printing training materials that fulfill State requirements; 3) online courses management, and 3) wages paid to guest speakers and training experts.

Child-Specific Training Consultation & Clinical Support

CCAI adoption clinical staff will provide child-specific training and consultation with PAPs as well as additional insight, answers to questions, and further resources to support or expand the parent training and preparation process before an adoption is completed. A part of your First Program fee will cover our staff's consultation and support throughout your adoption process.

Accrediting Entity Monitoring & Oversight Coordination

All agencies serving families to adopt internationally must be accredited according to the regulations and standards set forth by the Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption. The US Accrediting Entity and the US Department of State require a substantial amount of communication and data reporting as part of their monitoring and oversight requirements. A part of your First Program Fee covers CCAI staff time spent: 1) Communicating and coordinating with the Accrediting Entity as required under the Hague Convention; and 2) Compiling and reporting required data and information to the Accrediting Entity.

A part of your Second Program Fee covers the ongoing communication regarding your family's dossier, and adoption travel invitation as well as communication with DHS, CCAI in-country representative, the US Embassy, and USCIS through phone, fax, email/intranet/internet, and international express mail.

REFUNDABLE POST PLACEMENT DEPOSIT

Compliance with all post placement/post adoption requirements is an important part of the adoption process, as well as in the best interests of the child and family. You must finalize your adoption in your county court, and you must also secure US citizenship for your child. CCAI ensures these requirements are met through the use of deposits.

The **\$500** refundable Post Placement Deposit is due prior to the submission of your I-800 to USCIS and is refunded when all post placement requirements are satisfactorily completed and CCAI receives all adoption finalization documentation, including a copy of the child's Certificate of Citizenship.
