

CCAI Bulgaria Adoption Program Fees

CCAI is proud to be a 501(c)(3) non-profit, charitable adoption agency. That means we are financially accountable to you as the American public and as an adoptive family. Disclosing all costs up front and having no hidden charges is important to us. While providing uncompromised first-class adoption service, CCAI's fees are among the lowest in the field of Bulgaria adoption.

Once your application is approved, you will sign a Fee Policy/Agreement (see "Sample Fee Policy Agreement") with CCAI which commits you to pay: 1) CCAI fees, and 2) expenses paid to other entities necessary to complete your adoption (see "Adoption Expenses & Chronology"). **The Fee Policy/Agreement also commits CCAI to not change the amount of our fees throughout your adoption.**

Families make payments to CCAI at three different times and only when they are ready to be provided with the services covered by that fee. Following is a breakdown of the services covered by each of CCAI's fees.

Explanation of CCAI Bulgaria Adoption Program Fees

APPLICATION FEE

Application Review & Assessment

The well-being of adoptive children is CCAI's ultimate concern and main focus; their needs dictate which applicant(s) we can assist. By reviewing the completed "Application for Adoption," CCAI will determine if families meet the qualifications set by the US, Bulgaria, and this agency as stated on the Qualifications page in this packet. Your application fee covers: 1) printing, sending, and receiving the application packet; and 2) staff time spent assessing the application and contacting applicants and their references, etc.

FIRST PROGRAM FEE

Adoption Orientation & Consultation

Upon receipt of your signed Service Agreement, Fee Policy/Agreement, and First Program Fee, an orientation packet will be made available to you containing instructions to access CCAI's Bulgaria Adoption Dossier Guide. Your social worker will also be provided with a "Home Study Packet," outlining the Bulgaria and USCIS requirements for your home study. A part of your First Program Fee covers the cost of: 1) preparing materials and packets; and 2) staff time spent conducting orientation and training through packets and consultations.

USCIS Support & Monitoring

Assisting families to maintain valid USCIS approval and meet USCIS requirements at all times demands constant effort. A part of your Program Fee covers the cost of: 1) monitoring waiting families' USCIS approval status; and 2) assisting waiting families with USCIS re-filing and/or new filing.

Home Study Agency Coordination & Supervision

Since CCAI is not licensed in your state, we rely on the home study agency you selected to produce your home study report which must meet all the requirements of the Bulgarian government, US Federal and State governments. A part of your First Program Fee covers the cost of our training, coordination with and supervision of your home study agency and social worker to ensure your home study process meets immigration & country standards.

Home Study Consultation, Review & Clinical Support

No adoption can occur through CCAI without an approved home study/adoption assessment by a licensed, non-profit home study agency in your state. A part of your First Program Fee covers; 1) CCAI's regular and professional communication/consultation with your social worker/Home Study agency; 2) and review of the home study/adoption assessment drafts before finalization to ensure it meets USCIS and Bulgaria requirements.

Dossier Assistance/Review

The Bulgarian Central Adoption Authority, The Ministry of Justice (MOJ) approves and matches a child to you based upon your qualifications as presented in your adoption dossier. Therefore, a complete and high-quality dossier is extremely important. A part of your Program Fee covers: 1) CCAI staff time organizing and providing online Dossier Orientation; 2) assisting you throughout

the dossier compilation process; and 3) reviewing the completed dossier for quality control.

Domestic Communication

The process of providing intercountry adoption services requires constant communication between CCAI and the adoptive family, relevant US governmental agencies, your social worker performing the home study, and the Bulgaria Embassy and consulates. This is done through phone, internet, regular and express mail. A part of your First Program Fee covers the cost of providing these vital services.

Hague Adoption & Parent Training

As required by Hague, each prospective adoptive parent must complete 10 hours of parent training on the adoption process and issues unique to intercountry adoption before completing your home study. In addition, CCAI requires an additional 12 hours of live face to face training via Zoom before your adoption is completed. A part of your First Program Fee covers staff time spent: 1) producing and providing the online training material; 2) wages paid to guest speakers and training experts, and 3) tracking training and issuing a certificate of completion

Child Specific Training Consultation & Clinical Support

CCAI adoption professionals will provide child-specific training and consultation with adoptive parents as well as additional insight, answers to questions, and further resources to support or expand the parent training and preparation process before an adoption is completed. A part of your First Program fee will cover our staff's consultation and support throughout your adoption process

Accrediting Entity Monitoring & Oversight Coordination

All agencies and individuals serving families to adopt internationally must be accredited according to the regulations and standards set forth by the Hague Convention on Protection of Children and Cooperation in Respect of Intercountry Adoption. The US Accrediting Entity and the US Department of State require a substantial amount of communication and data reporting as part of their monitoring and oversight requirements. A part of your First Program Fee covers CCAI staff time spent: 1) Communicating and coordinating with the Accrediting Entity as required under the Hague Convention; and 2) Compiling and reporting required data and information to the Accrediting Entity.

Accrediting Entity Monitoring & Oversight Coordination

All agencies and individuals serving families to adopt internationally must be accredited according to the regulations and standards set forth by the Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption. REFUNDABLE POST ADOPTION DEPOSIT

Complying with all post adoption requirements is an important part of the adoption process. Bulgaria requires adoptive parents to supply information about the adopted child's living conditions and educational progress to the Bulgarian Ministry of Justice through a post adoption report, with photos attached, prepared by your agency's social worker every 6 months for 3 years from the anniversary dates of the adoption. There are also State and USCIS (United States Citizenship and Immigration Services) requirements regarding the child's US citizenship and other issues related to adoption finalization. It is in the best interest of the child and the family to comply with all post adoption requirements. The \$1,000 refundable deposit is due at time of child referral. After CCAI has received a copy of the child's Bulgaria adoption decree and birth certificate, child's Certificate of Citizenship, and the timely submission of four post adoption reports, the deposit will be refunded to the family.
