

# Dominican Republic Adoption Expenses by Chronology For Families in Colorado

The cost of your Dominican Republic adoption will consist of both CCAI Program Fees and expenses paid to outside agencies for their services. One of the many benefits of CCAI’s Dominican Republic Adoption Program is that the costs are clearly defined from the moment you begin your adoption journey. The adoption fees and costs are spread out over the course of the entire adoption process. Expenses paid to CCAI throughout the adoption (highlighted in **BOLD** below) will be about one-fourth of the overall adoption expenses.

Below we have listed each expense necessary to complete your adoption, to whom it is paid, and when it is due. Each expense is identified by the **Key** and detailed in “Explanation of Non-CCAI Expenses.” Your estimated adoption fees/expenses are further **categorized** from **A-I** as follows:

## **Explanation of Non-CCAI Adoption Expenses For Families in Colorado**

1. IAAME (Intercountry Adoption Accreditation and Maintenance Entity) is the authorized Hague accrediting entity. They charge **\$850** per approved application where CCAI agrees to serve as the primary provider. (This fee is charged on a per child basis, if a family is adopting more than one child, IAAME will collect an additional \$850 per child at the time of referral.)
2. The State of Colorado requires that all adoptive families undergo a Child Abuse Record search. Families complete and submit the State of Colorado “Background Inquiry Form” to CCAI with their Application for Adoption. This is required of each person in the home age 17 or older, at a cost of \$30 per person.
3. The State of Colorado also requires that all adoptive families be fingerprinted for CBI and FBI clearance for the home study. This is required of each person in the home age 17 or older, at a cost of \$54.50 per person.
4. Lutheran Family Services Rocky Mountains is the CDHS’ contractor who must approve all Colorado home studies prior to submission to USCIS. The fee for this review and approval is **\$300**.
5. The USCIS (United States Citizenship and Immigration Services) charges \$775 at the time that you file the I-800A. Each person 17 years old or older in the household must be fingerprinted. **\$85** for each person to be fingerprinted should be included in the initial USCIS check or money order. The USCIS approval is valid for 15 months.
6. The cost of dossier preparation varies depending on what your state(s) charges for issuing birth and marriage certificates and for document authentication. The cost of documentation notarization may also vary depending on the notary. The **\$500** estimate reflects the average that families will spend compiling the adoption dossier.
7. The Dominican Republic requires each adoptive family to complete a psychological evaluation from a licensed psychologist as part of their dossier. The cost for this evaluation varies greatly depending on provider and ranges from approximately **\$250 - \$2,500** per adoptive family.
8. CCAI’s legal representative in the Dominican Republic (a Foreign Supervised Provider under Hague) charges the first portion of its fees at the time the dossier arrives in the Dominican Republic. Including the cost of wiring, this fee is **\$3,130**.
9. Your child’s referral paperwork will be issued in Spanish. CCAI’s legal representative in the Dominican Republic (a Foreign Supervised Provider under Hague) charges **\$330 - \$430** (including wiring) for translation of child referral materials into English.
10. Airfare to/from the Dominican Republic may range from **\$700 - \$1,500** per adult traveler for coach accommodations based on flights from/to your home airport during regular season travel. For your adopted child, a “full one way ticket” (generally 75% of the price of adult ticket) is required (and can be as much as **\$1,125**).

11. CCAI's legal representative in Dominican Republic (a Foreign Supervised Provider under Hague) charges the second portion of its fees at the time families travel to begin the cohabitation period. Including the cost of wiring, this fee is **\$2,430**.
12. CCAI's legal representative in Dominican Republic (a Foreign Supervised Provider under Hague) charges the third and final portion of its fees at the time the adoption process finalizes (when the child's passport has been issued). Including the cost of wiring, this fee is **\$3,030**.
13. Your child's US Embassy-approved medical exam, TB test, and vaccinations will cost **\$585**.
14. Your child's visa to enter the US is \$325 and will be paid to the US Embassy in Santo Domingo.
15. The adoption will need to be validated after you return to Colorado at a cost of **\$167**.
16. Your child will need a state-issued birth certificate issued by the State of Colorado. The cost is **\$37.75**.
17. Your six post adoption reports will need to be translated into Spanish at a cost of **\$230-\$330** (including wiring cost) per report.
