CCAI CHILDREN'S CHARITY FUND UPDATE

Sponsoring Campers in Ukraine

➤ CCAI was honored to sponsor an unforgettable winter camp experience for 10 Ukrainian orphans this January by partnering with Frontier Horizon. The children enjoyed many activities, including snow tubing, dancing, carriage rides, karaoke, and swimming. Joy and laughter echoed through the winter air, creating cherished memories for each child.

➤ Most importantly, the winter camp provided a respite from the harsh realities of war, offering solace to these resilient children. Many of the kids come from the central and eastern parts of Ukraine and often bear witness to the unsettling sounds of artillery, air raids, and phone alerts. This escape allowed the children to immerse themselves in the simple joys of childhood, momentarily free from daily challenges.

➤ We are grateful for the opportunity to positively impact these deserving young souls, fostering moments of joy and camaraderie that will linger in their hearts for years to come. Your generous donation has made it possible for this beautiful life-changing event. If you want to join us in bringing hope and joy to vulnerable children, please [donate here](#).
