IMPORTANT ADOPTION INFORMATION

There are certain risks involved in international adoption. While CCAI will attempt to provide you with all available information about the prospective adoptive child and assist you with the entire adoption process, some unpredictable problems and/or events which are beyond CCAI’s control may nevertheless occur. These unpredictable problems and/or events include, but are not limited to: sudden changes in the adoption requirements or policies promulgated by the Bulgaria or U.S. governments and changes in international relations between Bulgaria and the United States.

In addition, a child may be placed with you who may have physical and/or emotional problems, minor or major, that have remained partially or totally undiagnosed and which were unknown to CCAI. Therefore, your motivation for adoption and an honest assessment of your strengths and weaknesses in parenting are extremely important.
