IMPORTANT ADOPTION INFORMATION

There are certain risks involved in international adoption. While CCAI will provide you with all available information about the prospective adoptive child and assist you with the entire adoption process, some unpredictable problems and/or events which are beyond CCAI's control may nevertheless occur. These unpredictable problems and/or events include, but are not limited to: changes in the birth parents' plan, adoption requirements or policies promulgated by the Taiwan or United States governments, and/or changes in international relations between Taiwan and the United States.

In addition, a child may be placed with you with physical and/or emotional problems, minor or major, that have remained partially or totally undiagnosed and which were unknown to CCAI.

Medical Conditions Checklist--TAIWAN

Welcome! CCAI is delighted that you are interested in the Taiwan Adoption Program. The Medical Conditions Checklist will help us understand your family's openness in terms of a child's age, gender, and special need(s) and will allow us to consider your family as we receive information on Waiting Children from Cathwel Services in Taiwan. Please work together with your spouse to complete the Checklist. If available, your social worker or family doctor can serve as a wonderful resource to help you.
