IS LOVE

Adoption is love in action—proof that love isn't limited by biology and can create deep, lasting connections. It gives every child the chance to grow up in a stable home and be part of a forever family.

Right now, countless children dream of parents who will love them unconditionally. Consider opening your heart and home—because every child deserves the unwavering embrace of a loving family!

Brielle is an energetic and curious 4-year-old child who loves engaging with others and exploring. She enjoys physical activities and has a strong interest in mechanics, often dismantling toys. Preferring bold flavors, she avoids sweets due to dietary restrictions for her skin conditions. Currently in weekly occupational and speech therapy, she flourishes with clear guidance and boundaries. Brielle seeks a loving forever family to support her growth—could that be you? [**MORE ABOUT BRIELLE**](#)

14-year-old JEN is an enthusiastic girl who enjoys learning, cheerleading, capoeira, and the arts, particularly theatre. An ocean trip with her foster mother inspired her love for swimming. JEN aims to be a top model and excel in Natural Science. A fan of reggaeton, especially Karol G, she dreams of learning guitar. Family is vital to her, and she seeks a loving family to support her aspirations.

12-year-old AND is a bright and affectionate child who loves sports, music, drawing, and building with Legos. He is improving in school and peer interactions, growing to be more calm and respectful, though he does still occasionally need space to manage his emotions. AND seeks a loving, patient family that offers structure, encouragement, and a nurturing environment for him to thrive.

MORE ABOUT AND

Giselle and Miriam

These sweet two-year-old twin girls are looking for their forever family! Born prematurely with severe asphyxia, they have overcome many challenges. Giselle is making great strides—she sits, stands with support, walks, plays with toys, and responds with laughter and cuddles. Miriam has a gentle spirit; she watches and follows movements, smiles at familiar faces, and responds to touch. They need a loving family to cherish and support them—would it be yours?
