Meet Our Featured Child

Christopher from Colombia

About Me

Christopher is a sweet, affectionate 6-year-old boy who finds joy in the little things—music, laughter, and being surrounded by people who care about him. He has come so far in his journey, showing incredible growth, but he needs a forever family to call his own.

He lights up when he hears music, clapping and singing along with a big smile at his church. He loves being outside, running around, and playing in the water. He thrives on connection, soaking up love and attention, and he has a special way of making those around him feel warm and appreciated.

Christopher needs a family who will embrace him just as he is—someone to sing with him, play with him, and make him feel safe and cherished. He has so much love to give, and he's just waiting for the right family to share it with. If you've ever thought about adopting, maybe Christopher has been waiting for you all along. Email colombia@ccaifamily.org to learn more about Christopher!

Wil & Rob from Colombia

About Us

WIL and ROB are bright, curious 11-year-old twins from Colombia who are full of energy, creativity, and heart. WIL loves music, chess, science, and comic book movies. He's a natural problem-solver who spends his free time folding origami, rocking out on drums and guitar, or playing basketball with his brother.

ROB is equally curious and passionate—especially in the kitchen! He dreams of becoming a chef and loves cooking with his foster grandmother. He's a great student who enjoys science, math, and racing toy cars with WIL. These twin brothers are hoping for a family to open their home—and hearts—this summer. Hosting could be the start of their forever.

FULFILL-A-WISH CAMP IN CHINA

Last year, CCAI had the incredible opportunity to sponsor three camps for orphans in China, giving these children a rare chance to explore their country and experience life beyond the walls of their orphanage.

We need your help to make it happen again! This year, we are determined to send even more children on this life-changing journey — and we can't do it without you.

FULFILL-A- WISH SUMMER CAMP

This summer, 115 children from three Chinese orphanages have the rare chance to step beyond institutional walls and experience the world through our Fulfill-A-Dream Summer Camp.

For one unforgettable week, these children will ride a bullet train, stay in a hotel, taste new foods, explore iconic sights—and most importantly, feel seen, valued, and celebrated.

Just **\$650** sponsors one child's full camp experience.

**As a sponsor, you'll receive daily updates and photos, and your gift is fully tax-deductible.*
